(D) Southern California Dog Control Zone: Those portions of Los Angeles, Ventura and Santa Barbara counties within the Los Padres and Angeles National Forests; and those portions of San Bernardino County within the San Bernardino and Angeles National Forests.

(b) Authorized Use of Dogs. The use of dogs for the pursuit/take of mammals or for dog training is authorized as follows:

(1) Dog Control Zones. The use of dogs for the pursuit/take of mammals or for dog training is permitted in the dog control zones described in subsections 265(a)(4)(A), (B), (C) and (D) from the opening day of the general deer season through the first Friday in April.

(2) Areas of the State Outside the Dog Control Zones. The use of dogs for the pursuit/take of mammals or for dog training in areas outside of the dog control zones is permitted year-round, except for closures and restrictions described in this Section 265 and section 364, and the provisions of sections 3960 and 4800 of the Fish and Game Code which prohibit allowing any dog to pursue any big game mammal during the closed season on such mammal or mountain lions, elk or any fully-protected, threatened or endangered mammal at any time.

(3) Take of Depredating Mammals. The use of dogs is permitted for pursuing/taking depredating mammals by federal and county animal damage control officers or by permittees authorized under a depredation permit issued by the department.

(4) Take of Furbearers and Nongame Mammals. Furbearers and nongame mammals as specified in Section 472(a) may be taken with the aid of dogs during the appropriate open season, except for closures and restrictions described in subsections 265(a) and (b).

(5) Prohibition on Starting Pursuit Within 400 Yards of Baited Area. Pursuits may not be started within 400 yards of a baited area as described in Section 257.5 of these regulations.

(6) Dog Training. Except for the prohibitions of subsection 265(a), dog training is permitted pursuant to the following provisions:

(A) Dog Training Defined. For purposes of these regulations, dog training is defined as the education of dogs through “breaking” or “practicing” under strict provisions that preclude the injuring or take of animals. Training is distinguished from “pursuit”, as used in Section 86 of the Fish and Game Code, in that the animal being chased shall not be killed, captured, or injured.

(B) Prohibition on Killing, Capturing or Injuring Mammals. No person shall kill, capture or injure any mammal, nor shall any person's dog be allowed to kill, capture or injure any mammal during dog training.

(C) Prohibition on Possession of Equipment. No firearm, archery gear, crossbow or other instrument capable of killing, injuring or capturing any animal may be possessed by any person training dogs during the seasons described in subsection 265(b)(6)(F) below. Possession of a firearm, archery gear, crossbow or other instrument capable of killing or capturing any animal is prohibited while training dogs, but such equipment may be transported to or from a campsite, transported to or from a residence or lawfully possessed by a person at a campsite provided all dogs are secured and under the control of the owner, agent or person training or transporting said dogs.

(D) Prohibition on Starting Dog Training Within 400 Yards of Baited Area. Dog Training may not be started within 400 yards of a baited area as described in Section 257.5 of these regulations.

(E) Prohibition on Training Dogs on Bear and Other Big Game Mammals or on Protected, Threatened or Endangered Mammals. It shall be unlawful to train any dog on any big game mammal or to train any dog on any fully-protected, threatened or endangered mammal at any time. A person in possession of a valid bear tag may utilize the general bear season for purposes of educating dogs for bear. A person in possession of a valid deer tag may utilize the general deer season for purposes of educating a dog for deer. Only one dog may be used for training in areas where the general deer season (as described in subsection 360(a) and (b)) is open.

(F) Seasons.

1. Gray Fox. Dogs may be trained on gray fox from March 1 through the day preceding the opening of the general gray fox season, except for closures and restrictions described in subsections 265(a) and (b).

2. Raccoon. Dogs may be trained on racoon from April 1 through the day preceding the opening of the general raccoon season, except for closures and restrictions described in subsections 265(a) and (b).

3. Bobcat. Dogs may be trained on bobcat from the day following the close of the bobcat seasons through the day preceding the opening of the general bobcat seasons, except for closures and restrictions described in subsections 265(a) and (b).

4. Other Mammals. Except for closures and prohibitions described in this Section 265 and sections 3960 and 4800 of the Fish and Game Code, dogs may be trained on mammals other than gray fox, raccoon and bobcat at any time.

(c) Restrictions on the Number of Dogs per Hunter.

(1) One Dog per Hunter Limitation During Deer Season. No more than one dog per hunter may be used in the area where the general deer season is open.

(2) Three Dogs per Hunter Limitation for the Take of Wild Pigs. Up to three dogs per hunter may be used for the purpose of taking wild pigs, pursuant to the following provisions:

(A) No more than one dog per hunter may be used in an area where the general deer season is open.

(B) No dogs may be used within the closures described in subsection 265(a).

(C) After the general deer season (as described in subsections 360(a) and (b)) closes, there is no limit on the number of dogs that may be used during the general bear season.

(d) Prohibition on Treeing Switches and Use of Global Positioning System Equipment.

(1) Treeing Switches. Effective July 1, 1995, electronic dog retrieval collars containing functioning treeing switches (devices consisting of a mercury switch mechanism that results in a change in the transmitted signals when the dog raises its head to a treed animal) are prohibited on dogs used for the pursuit/take of mammals.

(2) Global Positioning System Equipment. Electronic dog retrieval collars employing the use of global positioning system equipment (devices that utilize satellite transmissions) are prohibited on dogs used for the pursuit/take of mammals.
